

**ACGR PARTNERS WITH GLEN ROCK HISTORICAL AND PRESERVATION SOCIETY
TO ILLUSTRATE MEMORABILIA IN SKETCHES**

GLEN ROCK, N.J., May 17, 2024 – Arts Council of Glen Rock partnered with the Glen Rock Historical and Preservation Society on May 5 to spend an afternoon drawing historical objects. The Glen Rock memorabilia was sketched by several Arts Council members (shown here), who did pen and digital draws at the Society's Museum at the Station headquarters on Rock Road. Some of the artists' drawings will be printed as postcards to benefit the Historical Society.

This Open Studio event is part of the Arts Council's "Focus on the Artist" cluster of special, smaller, focused activities for members and offered in celebration of the organization's first five years.
